SENIOR ADULT SUNDAY

On May 1st we will celebrate those of us age 55 or better.

This includes a Sunday morning service with a theme "Praying in Faith" and a sit down lunch for the Seniors.

If you want something special during the Sunday Service (i.e. hymn, reading, testimony...) please let us know.

Liz & RG Gall: 436-0371 or rgliz@cox.net

DON'T FORGET!

Centerville Baptist PreSchool collects

Box Tops for Education, Farm Fresh Receipts, empty InkJet cartridges, and Campbell's Soup labels. We use these programs to get much needed equipment while keeping our rates down.

Please drop off your items in the appropriate box near the PreSchool Hall to help our program!

First Mortgage as of 3/6/11	\$691,212.98
Second Mortgage as of 3/6/11	\$477,119.58

ANNIE ARMSTRONG EASTER OFFERING; NORTH AMERICAN MISSIONS EMPHASIS

April, 2011 Our Church goal is \$2950.00

Please pray as to what the Lord would have you give.

“When He saw the crowds, He felt compassion for them, because they were weary and worn out, like sheep without a shepherd. Then He said to His disciples, ‘The harvest is abundant, but the workers are few. Therefore, pray to the Lord of the harvest to send out workers into His harvest’” (Matthew 9:36-38, HCSB).

Each year, we honor the life and work of Annie Walker Armstrong (1850-1938) when we give to the annual offering for North American missions named after her. As a tireless servant of God and a contagious advocate and supporter of mission efforts throughout the world, Annie Armstrong led women to unite in mission endeavors that ultimately led to the formation of Woman's Missionary Union, for which she served as the first corresponding secretary.

Annie believed in Christ with all her heart, but it was her hands that expressed that belief in tangible ways. She spent a great amount of time typing and handwriting letters in support of missions. Many of these letters were quite lengthy and all were filled with conviction that more could and should be done in our mission efforts. In 1893 alone, she wrote almost 18,000 letters! Annie also never hesitated to use her hands to reach out to hug a child or distribute food and clothing and the Word of God to those in need. Her hands held her own Bible as she studied to know how best to share Gods love with others. And, most important, Annie was a woman of prayer, folding her hands in prayer to intercede for the missionaries and for those they were helping discover Christ.

Annie rallied churches to give more, pray more, and do more for reaching people for Christ. As we continue to unite to make her vision a reality in North America today, we can be confident that her legacy will also be ours.

Your gifts to the Annie Armstrong Easter Offering are used to support North American missionaries as they share God's amazing power with the 258 million unbelievers in the United States, Canada, and their territories. Most NAMB missionaries receive support from state Baptist Conventions, meaning they receive ministry money from the Annie Armstrong Easter Offering as well as from their state convention through Cooperative Program gifts.

MOTHER-DAUGHTER TEA

The Women's Ministry Team would like to invite all ladies of the church and community ages 4 and above to our Mother/Daughter Tea on April 30 from 2 to 4pm. Tickets will go on sale the first Sunday in April and will cost \$10. Please indicate if you would like child care at the time of your ticket purchase.

SENIOR ADULT MINISTRY NEWS!

The PrimeTimers met at Centerville Baptist on the 17th of March. We had a guest speaker from the Chesapeake Fire Department. Ms Bridgette Holiman explained smoke detectors, carbon monoxide detectors, home safety, having a home exit plan, the Special Care and Needs form, and much more.

Smoke Detectors The two most common types used today are photoelectric detectors and ionization detectors. But did you know, smoke detectors have a life span and eventually should be replaced. The Ches. Fire Department will come to your home and inspect detectors. This is a FREE SERVICE. If you are 62 or better, replacements are FREE. There are also Carbon Monoxide Detectors.

Carbon monoxide (CO) is the number one cause of poisoning death in America. It is an odorless, invisible, and extremely dangerous gas, which can be given off by the most common appliances in your home or even a car in an attached garage. You cannot see or smell carbon monoxide, but at high levels it can kill a person in minutes. Carbon monoxide (CO) is produced whenever any fuel such as gas, oil, kerosene, wood, or charcoal is burned.

The Special Care & Needs (SCAN) Form was developed by the Chesapeake Fire Department so that they can better serve your needs in the event of an emergency. You list all of your medications and medical information. For example: asthma, COPD, diabetes, heart disease, high blood pressure, seizures, require special medical care, specialized medical equipment, etc. This information then accompanies emergency personnel responding to your location. This valuable insight can save precious time during an emergency.

Thanks,
Liz & RG (co-chairs)
